

11 Months And 29 Days

Toby Keith

When I busted in Austin
Walkin' around in a daze
Man, I'm sittin' in the slammer
Lookin' out through the bars 'cross a haze
It'll all clear up
In 11 months and 29 days
Keep that Lone Star cold
The dance floor hot while I'm gone
Keep the Lone Star cold
Dance floor hot while I'm gone
While I'm gone
Keep your hands off my baby
I ain't gonna be gone that long
Incognito bandito
That old judge put a sledgehammer
Put it in my hand when he said
I'm gonna send you down to Huntsville
And I'm gonna shave your face
And I'm gonna shave your head
Doin' 11/29
Cement floor for my bed
When I busted in Austin
Walkin' around in a daze
Now I'm sittin' in this slammer
Lookin' out through the bars 'cross a haze
It'll all clear up
In 11 months and 29 days
