closer (OST FIFA 08)

Travis

I've had enough
Of this parade
I'm thinking of
The words to say
We open up
Unfinished parts
Broken up
It's so mellowAnd when I see you then I know it will be next to me
And when I need you then I know you will be there with me
I'll never leave youJust need to get closer, closer
Lean on me now
Lean on me now
Closer, closer
Lean on me now
Lean on me nowKeep waking up (waking up)
Without you here (without you here)
Another day (another day)
Another year (another year)
I seek the truth (seek the truth)
We set apart (we set apart)
Thinking of
A second chance (a second chance)And when I see you then I know it will be next to me
And when I need you I know you will be there with me
I'll never leave youJust need to get closer, closer
Lean on me now
Lean on me now
Closer, closer
Lean on me now
Lean on me now
Lean on me nowAnd when I see you then I know it will be next to me
And when I need you I know you will be there with me
I'll never leave youJust need to get closer, closer
Lean on me now
Lean on me now
Closer, closer
Lean on me now
Lean on me now
Lean on me nowCloser, closer

Closer, closer
