

# Big Time

Peter Gabriel

I'm on my way, I'm making it  
I've got to make it show, yeah  
So much larger than life  
I'm going to watch it growing  
The place where I come from is a small town  
They think so small  
They use small words  
But not me  
I'm smarter than that  
I worked it out  
I've been stretching my mouth  
To let those big words come right out  
I've had enough, I'm getting out  
To the city, the big big city  
I'll be a big noise with all the big boys  
There's so much stuff I will own  
And I will pray to a big god  
As I kneel in the big church  
Big time  
I'm on my way-I'm making it  
Big time big time  
I've got to make it show yeah  
Big time big time  
So much larger than life  
Big time  
I'm going to watch it growing  
Big time  
My parties all have big names  
And I greet them with the widest smile  
Tell them how my life is one big adventure  
And always they're amazed  
When I show them 'round my house, to my bed  
I had it made like a mountain range  
With a snow-white pillow for my big fat head  
And my heaven will be a big heaven  
And I will walk through the front door  
Big time  
I'm on my way-I'm making it  
Big time big time  
I've got to make it show-yeah  
Big time big time  
So much larger than life  
I'm going to watch it growing  
Big time big time

My car is getting bigger  
Big time  
My house is getting bigger  
Big time  
My eyes are getting bigger  
Big time  
And my mouth  
Big time  
My belly is getting bigger  
Big time  
And my bank account  
Big time  
Look at my circumstance  
Big time  
And the bulge in my big big big big big big big
