Tender Love

Al B. Sure!

Ooooooooh Yeah Oohhhhh Oooooh
Here I lay all alone
toss and turning
Longing for something more
tender love
I'm waiting for the right
moment to come
So I can thank you for
all the tender love you've given to me
[Chorus]Tender love
tender love
Love so tender
Pulling me close to you
Baby I surrender
[Verse]Candles they light the dark
Now i see how
Loving the feelings are
all the tender love you've given to me
Oh baby yeah
I want you more and more
can't resist you
Oh then I feel your touch
Tender love
Loving me straight from the heart

coming nearer
Please let me be apart
all the tender love you've given to me
[Chorus]Tender love
tender love
Love so tender
Pulling me close to you
Baby I surrender
Yeah yeah
My Baby
I surrender
I surrender
Say I surrender
I surrender

I surrender
Say I surrender
My Tender love
Tender love
tender love
Love so tender
Pulling me close to you
Baby I surrender
My tender love
My tender love
