

# Imagine Me

## The Broadway Boys

Imagine me  
Loving what I see when the mirror looks at me 'cause I  
I imagine me  
In a place of no insecurities  
And I'm finally happy 'cause  
I imagine me

Letting go of all of the ones who hurt me  
'Cause they never did deserve me  
Can you imagine me?  
Saying "No" to thoughts that try to control me  
Remembering all you told me  
Lord, can you imagine me?

Over what my mama said  
And healed from what my daddy did  
I wanna live and not read that page again

Imagine me being free, trusting you totally  
Finally I can...  
Imagine me  
I admit it was hard to see  
You being in love with someone like me  
But finally I can...  
Imagine me

(Imagine me) Being strong  
And not letting people break me down  
You won't get that joy this time around (No no)  
Can you imagine me?  
In a world (in a world) where nobody has to live afraid  
Because of your love fear's gone away  
Can you imagine me?

Letting go of my past  
And glad I have another chance  
And my heart will dance  
'Cause I don't have to read that page again

(Imagine me)

Imagine me, me being free, trusting you totally  
Finally I can...  
Imagine me  
(I admit Jesus) I admit it was hard to see  
You being in love with someone like me (like me)  
Finally I can...  
Imagine me

(Imagine me)  
Imagine me, me being free, trusting you totally  
Finally I can...  
Imagine me  
(I admit Jesus) I admit it was hard to see  
You being in love with someone like me (like me)  
Finally I can...  
Imagine me

(I imagine me)  
Imagine me (being free) being free, trusting you totally (totally)  
Finally I can...  
Imagine me  
(I'll be honest with you)  
I admit it was hard to see (it was hard)  
You being in love with someone like me (yeah)  
But finally I can...  
Imagine me

This song is dedicated to people like me.  
Those that struggle with insecurities, acceptance and even self-esteem.  
You've never felt good enough, you've never felt pretty enough  
But imagine God whispering in your ear letting you know that everything that has happened is now...

...gone, gone, it's gone, all gone  
(It's all gone, every sadness)  
Gone, gone, it's gone, all gone  
(Every mistake, every failure, it's all gone)  
Gone, gone, it's gone, all gone  
(Depression, gone, bad faith, it's gone)  
Gone, gone, it's gone, all gone  
(Low self-esteem, Hallelujah, it's gone, it's all gone)  
Gone, gone, it's gone, all gone  
(It's gone, all my scars, all my pain)  
Gone, gone, it's gone, all gone  
(It's in the past, it's yesterday, it's all gone, ah)  
Gone, gone, it's gone, all gone

(I can't believe it's gone)  
(Gone, what you mother did, what your father did, Hallelujah)  
Gone, gone, it's gone, all gone  
(It's gone)
