

Put It On

Bob Marley & The Wailers

Feel them spirit
Feel them spirit
Feel them spirit
Lord, I thank you
Lord, I thank you Feel alright now
Feel alright now
Feel alright now
Lord, I thank you
Lord, I thank you I'm gonna put it on, I put it on already
I'm gonna put it on, and it was steady
I'm gonna put it on, put it on again
Good Lord, help me
Good Lord, help me I'm not boastin'
I'm not boastin'
I'm not boastin'
Feel like toastin'
Feel like toastin' I rule my destiny, yeah
I rule my destiny
I rule my destiny
Lord, I thank you, yeah
Lord, I thank you No more cryin'
No more cryin'
No more cryin'
Good Lord, hear me
Good Lord...
