# I Got You

## Whitney Houston

When your love is strong and it comes from the heart
Ain't no man strong enough, ain't no time long enough to tear it apart
And that's what we had believe it or not
So on the final day I thought all the hurt and pain will end up on top
So I won't cry 'cause you're going away
'Cause the chemistry we've got it don't fade
I won't be wishing for better days
'Cause deep inside I know our love stays the same
You gotta know
No matter where you are, you got me
Baby, near or far, you got me
Our love will never fade, you got me
So let me hear you say
Baby, I got you
I'll be there, I'll be there, no matter what
Baby, I got you
I'll be there, I'll be there, no matter what
'Cause I got you, baby
I never lie
'Cause you are the reason that my heart is beating and I am alive
Before you go look in my eyes
You can't be replaced, no, I'm down to wait for the rest of my life
You gotta know
No matter where you are, you got me
Baby, near or far, you got me
Our love will never fade, you got me
So let me hear you say
Baby, I got you
I'll be there, I'll be there, no matter what
Baby, I got you
I'll be there, I'll be there, no matter what
Baby, I got you
I'll be there, I'll be there, no matter what
Baby, I got you
I'll be there, I'll be there, no matter what
'Cause I got you, baby
I'll hold you up when you just can't stand
I'll make you fly when you think that you can't
By my side forever, baby that's the plan

I'll be your everything, I'll be your everything
I got you
No matter where you are, you got me
Baby, near or far, you got me
Our love will never fade, you got me
So let me hear you say
Baby, I got you
I'll be there, I'll be there, no matter what
Baby, I got you
I'll be there, I'll be there, no matter what
I'll be there
Say you got me, I want you, baby
Say you love me, I need you, baby
I like you baby, you got me
I'll be there, I'll be there
I'll be there, I'll be there
