

Black Dog

Coalesce

Hey, hey, mama, said the way you move
Gonna make you sweat, gonna make you groove Oh, oh, child, way you shake that thing
Gonna make you burn, gonna make you sting Hey, hey, baby, when you walk that way
Watch your honey drip, can't keep it away Oh yeah, oh yeah, oh, oh, oh
Oh yeah, oh yeah, oh, oh I gotta roll, can't stand still
Flame in my heart, get my fill Eyes that shine burning red
Dreams of you all through my head Ah ah, ah ah, ah ah
Ah ah, ah ah, ah Baby, baby, baby
Tell me what you're gonna do
Baby, baby, baby
Tell me what you're gonna do Didn't take too long 'fore I found out
What people mean by down and out Spent my money, took my car
Started telling her friends shes gonna be a star I don't know but I been told
A big-legged woman ain't got no soul Oh yeah, oh yeah, oh, oh, oh
Oh yeah, oh yeah, oh, oh, oh All I ask for when I pray
A steady rollin' woman gonna come my way Need a girl to hold my hand
And tell me no lies, make me a happy man Ah ah, ah ah, ah ah
Ah ah, ah ah, ah, oh yeah
