Beaten Senseless

Cliteater

Meet my beating
Meet my beatingPrejudiced bastards ought to know
They are walking on shallow ground
Meet my beating
Meet my beating[Chorus]
Indigestible rage
Relentless senseless beating
Handicap you for life
Smashing and bashing your skull, bones and genitals
On and on and on and on and onSuspend animation
I won't fall for that
Keep on punching out the ignorance
Bleed for me twatHumans oh so fragile
Not worth the air they breathe
Gradually losing conscience
Meet my beating
Meet my beating[Repeat chorus]
