Jesus Or A Gun

Fuel

Walk away, I walk the wire
And my fields are burning in the flames
Feel my way, blind in the mire
Struggling from your thoughts inside my head
But now everything's trying to drag me down
But I'll rip the sky from the ground
Tell me now, who's my saving one
Jesus or a gun
Stripped away my last desire
Nothing comes and nothing's sent away
Happiness, I couldn't hire
Struggling from your voice inside my head
But now everything's trying to drag me down
But I'll rip the sky from the ground
Tell me now, who's my saving one
Jesus or a gun

All that's safer falls from my favor
When it's over, who will cry for me?
It's safe to say, I don't desire
Everything you push inside my head
And I'll reject it until I'm dead
But everything's trying to drag me down
And I'll rip the sky from the ground
Tell me now, who's my saving one, oh yeah
But everything's trying to drag me down
But I'll rip the sky from the ground
Tell me now, who's my saving one
Jesus or a gun
Jesus or a gun
Jesus or a gun
Jesus or a gun, yeah
