

A World Undone

Ithilien

Time killed my inner beliefs
This path is the right for me
Wasted dreams I can't achieve
Walking alone for eternity My burden is becoming more
And more a load my hopes
Can't hold can't hold this weight on me
Will you carry, carry it with me I was really blind to believe
The path I chose was right for me
My inner hopes I've deceived
Following dreams of eternity I was blind to believe
I could carry this curse on me
The weight of this world offered to me's
Too heavy to carry
