Deny This Love

John Martyn

I see her walking down the street
With the night down at her feet
Walking just to get the day done
She's got nothing good to do
She's got nothing good to say
Praying for a little help to comeDon't talk, don't talk to me
About your crying in the rain
Inside that girl is just dying againDeny this if you can
Deny this if you can
Deny this love if you can
Deny this love if you can
Oh lord, at times get so tough
She could never get enough
Of the tiny things that make a woman smile
Another lonely day just goes sliding away
Tonight she's moving out in styleDon't talk, don't talk to me
About your crying in the rain
Inside that girl is dying againDeny this love if you can
Deny this love if you can
Deny this love if you can
Deny this love if you canBut I knew this kind of man
She gave everything she can
Everything a little girl could lose
If she tried one more night
Maybe things would work out right
Love's the kind of thing
She'd never chooseNow don't talk, don't talk to me
About your crying in the rain
Inside that girl, love is dying againDeny this if you can
Deny this love if you can
Deny this if you can
Deny this love if you canI cannot hide, I can't deny
The love [Incomprehensible] for you
I can't deny and you can't hide
You can't deny the love she got for youDeny this if you can
Deny this if you can, yeah
Deny this if you can
Deny this if you can
