## Audio Adrenaline

I will follow wherever you lead me  
Wherever you are underneath these stars is where I wanna be  
And I will lay it down, this old life of mine  
I leave behind all the things of the world just to follow you And I'll be strong and courageous  
I'll live my life for You, my only King  
'Cause You're my God through all the ages  
Here am I, I am Yours, send me  
Send me When I fall down and I'm broken  
When I stumble on the rocks and lose my way  
I will cling to Your eternal love  
When I'm weak You come to me, You give me strength, eh And I'll be strong and courageous  
I'll live my life for You, my only King  
'Cause You're my God through all the ages  
Here am I, I am Yours, send me  
Send me Oh yeah  
All right And I will follow wherever you lead me  
Wherever you are underneath these stars is where I wanna be And I'll be strong and courageous  
I'll live my life for You, my only King  
'Cause You're my God through all the ages  
Here am I, I am Yours And I'll be strong and courageous, eh  
I'll live my life for You, my only King  
'Cause You're my God through all the ages  
Here am I, I am Yours, send me  
Here am I, I am Yours, send me  
Here am I, I am Yours, send me Ooo yeah  
I am Yours  
Send me
