

# Warp

## Entropik

You shaped ideas system  
You made it clear system  
You'll pay the price system  
Look what you've done  
I've got the feeling  
I've got the feeling  
It's begun to warp  
I've got the feeling  
I've got the feeling  
It's begun to warp  
I've got the feeling  
I've got the feeling  
You told some lies system  
The big surprise system  
But open eyes system  
Saw through it all  
I've got the feeling  
I've got the feeling  
It's begun to warp  
I've got the feeling  
I've got the feeling  
It's begun to warp  
Warp  
Warp  
Warp  
Warp  
All over now system  
They found you out system  
So where to now system  
Look what you've done  
I've got the feeling  
I've got the feeling  
It's begun to warp  
I've got the feeling  
I've got the feeling  
It's begun to warp  
I've got the feeling  
I've got the feeling  
I've got the feeling

I've got the feeling  
It's begun to warp
