

# The Movie

## The Doors

The movie will begin in five moments  
The mindless voice announced  
All those unseated will await the next show.  
We filed slowly, languidly into the hall  
The auditorium was vast and silent  
As we seated and were darkened, the voice continued.  
The program for this evening is not new  
You've seen this entertainment through and through  
You've seen your birth your life and death  
you might recall all of the rest  
Did you have a good world when you died?  
Enough to base a movie on?.  
I'm getting out of here  
Where are you going?  
To the other side of morning  
Please don't chase the clouds, pagodas  
Her cunt gripped him like a warm, friendly hand.  
It's alright, all your friends are here  
When can I meet them?  
After you've eaten  
I'm not hungry  
Uh, we meant beaten  
Silver stream, silvery scream  
Ooooooh, impossible concentration.
