

Heat Wave (1958 Stereo Version)

[Ella Fitzgerald](#)

We're having a heat wave,
A tropical heat wave,
The temperature's rising,
It isn't surprising,
She certainly can can-can. She started a heat wave
By letting her seat wave
In such a way that
The customers say that
She certainly can can-can. Gee, her anatomy
Makes the mercury
Jump to ninety-three. We're having a heat wave,
A tropical heat wave,
The way that she moves
That thermometer proves
That she certainly can can-can.
