Black Sheep

Metric

Hello again, friend of a friend, I knew you when
Our common goal was waiting for the world to end
Now that the truth is just a rule that you can bend
You crack the whip, shape shift and trick the past again
I'll send you my love on a wire
Lift you up, everytime, everyone, ooo, pulls away, ooo
From you

Got balls of steel, got an automobile, for a minimum wage
Got real estate, I'm buying it all up in outer space
Now that the truth is just a rule that you can bend
You crack the whip, shape shift and trick the past again
I'll send you my love on a wire
Lift you up, everytime, everyone, ooo, pulls away, oo
It's a mechanical bull, and I'm the one
You'll take a ride from anyone, everyone wants a ride, pulls away, oooh from you
