Wash My World

[Laurent Wolf](#)

Wash my world
From the grey sky

Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
Clean up the streets from the cars and trucks

Clean up *the* desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls

Wash my world
Wash my world

My wo-orld

Wash my world
From the grey sky
Ohhhh

Wash my world

Wash my world
Think about the children
Ohhh please
Wash my world
For the birds in the trees
No war
No war
Ohhh

Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
Clean up the streets from the cars and trucks

Clean up desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls

Ohhhh yea-ah
Wash my world

Wash my world

My wo-orld

Wash my world
From the grey sky
Ohhhh

Clean up desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
wash my world
Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls girls girls girls

Wash my world
