

# I Throw My Toys Around

## No Doubt

I've got no time for fairy stories, I'm not a little girl  
So you can leave me all alone and turn off the lights as well  
If you are frightened then listen  
But I don't think you'd like it  
Such a nice kid  
Nobody's looking' now  
I'll throw my toys around  
Somebody's being very bad, I wonder who it can be  
Somebody's goin' get in trouble, I know it isn't me  
I'm just a little angel  
But you don't know what I've done  
When your back's turned  
Nobody's looking' now  
I'll throw my toys around  
Pick up those building blocks  
Chop off the baby's locks  
Swing dolly by the hair  
Put down that teddy bear  
Slam dunk a happy clown  
I throw my toys around  
I've got no time for bedtime stories, I'm not a little child  
Everything makes me furious and everything makes me wild  
If you are frightened then whistle  
And I'll come runnin' to you  
As you boo hoo  
Nobody's looking' now  
I'll throw my toys around  
Nobody's looking' now  
I'll throw my toys around  
I throw my toys around  
I'll throw my toys around  
I throw my toys around  
I'll throw my toys around

...
