Advisory - the following lyrics contain explicit language:

I was wrong to think
I could ever trust in you
I was wrong to think
That you might want to trust me too Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand I was wrong to think
I could ever love in you
I was wrong to think
That you might want to love me too Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand So where the hell are you?
So where the hell are you?
So where are you when I need someone too?
And I'm tired of needing you Here I am, here I am
Here I stand
Here I am, here I am, here I am
Here I stand So where the hell are you?
So where the hell are you?
So where are you when I need someone too?
Well I'm tired of needing you
