

Now Nothing

Nudeswirl

Wait outside dont say it anymore
Wait outside mother dont try

Wait outside you dont say it anymore
I suppose that I lied yeah
Wait outside mother dont try
oh I suppose that I lied yeah

stay mama yeah ya drank enough for years
and knows that I lied yeah you bought a house from heaven
holder of the lies and knows that I lied yeah landed in your pocket
yeah you robbed me yeah yeah

me on the outside yeah you push it all away away
