

The Right One

KING

People come our way to try and stop our love but
They don't know that love is what we are
They'll say what they say, but my mind's made up
I'm giving you my heartDon't care what they say, they don't see it our way
You are the right one
We'll keep going, rolling, on our way to the right loveEvery now and then they try and pull us under
Steady as a rock we'll roll on
They don't understand so they sit and wonder how we stay so strongDon't care what they say, they don't see it
our way
You are the right one (We'll carry on)
We'll keep going, rolling (We'll prove them wrong)
On our way to the right loveOur second to none love on the runAll that I am or will be, everywhere you've been
or seen
We become one, you and I, where would I be if not by your side?People come our way and try to stop our love
but
It's only you and me
People come our way and try to stop our love but
We're all we'll ever need
People come our way and try to stop our love but
As far as I can see
People come our way and try to stop our love but
We're all we'll ever need
We're all we'll ever need
