

Brand New Moves

Hey Violet

I'm the lock and you're the key
So over me, come on over me
You can have me anyway you like, yeah
I'm right here so pull yourself up over me, all over me
Treat me wrongly baby, feels so right, yeah
Don't it feel like it's been forever?
Don't it feel like it's been a while?
Don't it feel like it's been forever?
Been forever? Been forever?
Since the last time we danced I learned some brand new moves, uh!
Since the last time we kissed I learned a thing or two, uh!
Since the last time we danced I learned some brand new moves
(I wanna try them on you, I wanna try them on you)
Since the last time we kissed I learned a thing or two
(I wanna try them on you, I wanna try them on you)
Uh, brand new moves
I wanna try them on you
Uh, brand new moves
I wanna try them on you
I'm the lock and you're the key
Won't you come and open me
You can find anything that you like, yeah
I've been waiting patiently
Pull yourself all over me
When you treat me wrong it's so right
Don't it feel like it's been forever?
Don't it feel like it's been a while?
Don't it feel like it's been forever?
Been forever? Been forever?
Since the last time we danced I learned some brand new moves, uh!
Since the last time we kissed I learned a thing or two, uh!
Since the last time we danced I learned some brand new moves
(I wanna try them on you, I wanna try them on you)
Since the last time we kissed I learned a thing or two
(I wanna try them on you, I wanna try them on you)
Uh, brand new moves
I wanna try them on you
Uh, brand new moves
I wanna try them on you
Uh, brand new moves
I wanna try them on you, I wanna try them on you
Uh, brand new moves
I wanna try them on you, I wanna try them on you
