It's My Brown Skin

Helado Negro

My skin glows in the dark shines in the light
It's the color that holds me tightMy brown me is the shade that's just for me
I'm never not missing anything but meCause I love you
And I can't miss anything but you
Your stuck on me
And all this time I'm inside youOur time together we grow
We stretch and show
Its tough as it goes and it won't rub off of youThere's friends of similar shades
Of different ways
Who feel the same way don't ever forget themIt's your brown skin
It will keep you safe
