Deeper Water

Public Image Ltd.

The ocean seas that's swelling wept
in the harper inside my head
in the spite of salt water
the sailing breeze of tears
and the years
And the returns all in here
and those bristles burns
that will rush with
...
and dash lead to the shores
and cross me to the rocks
days go down
and thundering waves will drown
I could had into deeper waters
(deeper water, deeper water, deeper water
deeper water, deeper water, deeper water)
In .ignorant strangers
intoxicate and hide the dangers
and lead you to the shore that you on the rocks
.oceans seas I swear now
in the harpers a deeper waters
deeper water, deeper water, deeper water
.for water .deeper water
