

# Waiting

## Breathe Carolina

Nice shoes,  
Wanna get to know you,  
How can I get you alone?  
Lights flash, move fast,  
Tell me how can I get into your heart?

She got a bitter bite but I'm a sweet talker  
Diamonds in her eyes,  
And I'ma shine for her

Waiting for you love,  
Waiting to feel you love,  
Waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
We can do it for the rush, the rush, the rush  
I'm waiting for, waiting for you

Bodies crash with no reaction,  
She bites my tongue, so I don't say too much  
She was made for lust  
Anymore than that would be so dangerous

She got a bitter bite but I'm a sweet talker  
Diamonds in her eyes,  
And I'ma shine for her

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
We can do it for the rush, the rush, the rush  
I'm waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
We can do it for the rush, the rush, the rush  
I'm waiting for you

You're a fool if you dance  
You're a fool if you don't

You're a fool either way  
So don't tell me you won't  
    So pick it up!  
You're a fool if you dance  
    So pick it up!

Waiting for you love,  
Waiting to feel you love,  
    Waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
    We can do it for the rush, the rush, the rush  
    I'm waiting for you  
    Waiting for, waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
    We can do it for the rush, the rush, the rush  
    I'm waiting for you

Waiting for you  
Waiting to feel you  
    Waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
    We can do it for the rush, the rush, the rush  
    I'm waiting for you

We don't have to fall in love, in love, in love  
We don't have to feel to touch, to touch, to touch  
    We can do it for the rush, the rush, the rush  
    I'm waiting for you  
    You
