

# Gotta Get Down

## The Orwells

I wanna get stupid  
I gotta get limb  
I wanna have faith  
In something I don't kill I'm starting to feel numb  
Can't see me in the mir'  
My daddy's got a twelve gauge  
I hope I don't find it Don't leave me  
Sit back down  
Cause a round?  
Yeah, found I'm starting to feel numb  
Can't see me in the mir'  
My daddy's got a twelve gauge  
I hope I don't find it
