

# Fear No Pain

Willy Mason

Gonna be leavin'  
I'm gonna be leavin' soon, this I know  
I'm gonna be leavin' soon  
Where the water tastes like moonshine  
Leavin' soon, this I know Don't you miss me then  
Don't you miss me when I go  
Don't you miss me then  
Just sleep my lady friend  
And wait 'til I come home I ain't gonna fear no pain  
I ain't gonna fear no pain anymore  
I ain't gonna fear no pain  
Ain't nothin' worth that strain  
I'm gonna walk in the hands of the Lord And God won't do me wrong  
God won't do me wrong, this I know  
God won't do me wrong  
My steps became so strong  
Now I know He won't do me wrong
