

Rickety

Yo La Tengo

We ain't ask the rising sun
Four times four, one plus one
The path that harm the winning scheme
Five plus five, t minus three Could some man _____(?)
We trace the steps and enter man
Through it all, all we're feeling
RicketyShady browns, setting sun
Stuck in cave Dayton
Broken glass between our toes
Oh, girl, oh no
Nothing's gone and nothing lasts
The door of Job are closing fast
Through it all, we all feel rickety
