

# You Are God Alone

[William Mcdowell](#)

You are not a God created by human hands  
You are not a God dependent any mortal man  
You are not a God in need of anything we can give by your plan thats just the way it is  
repeat 2

You are God alone from the good times began  
You are on your throne  
You are God alone and right now  
through the good times and bad  
You are on your throne

You are God alone  
repeat 2

You are the only God who's Power none can contend  
You are the only God who's Name and Grace will never end  
You are the only God who's worthy of anything we can give  
You are God that just the way it is.

You are God alone through the good times and bad  
You are on your throne and right now through the good times and bad  
You are on your throne you are God alone.  
unchangeable, unshakeable,unstoppable..... thats who You are
