

# Never Say Never (Myon & Shane 54 Remix)

Armin van Buuren

Stay with me  
Won't you wait for me  
Care for me  
And never say never Love  
You're in my flesh and bone  
Where ever you go I'm home  
I'll follow you You're in my head  
In my heart  
In my soul  
Like the air I breathe You're in my head  
In my heart  
In my soul  
Like the air I breathe Yes you're my favourite need I'll follow you  
I'll follow you When everything seems lost  
I'm stuck and falling down  
You will guide me home  
So promise me You'll stay with me  
Won't you wait for me  
Care for me  
And never say never No never say never again  
No never say never again
