Breaks

Goldroom

Taken out of place, oh
Nobody dreaming while awake, now I'm lost inside
Falling all the way down
I'm trying, but you're losing me while I'm goneTell me you know when I'm going, I break in two
So I know, I will wait for you, love
All that it takes it two, my love
Oh, and it breaks for you
Oh, and it breaks
Oh, and it breaks for you
Oh, and it breaks for you
Gotta break the newsEase into the break now
I'm gone and drifting to a place where I'm all alone
Darling, can you wait now?
I know what you're saying
Oh, let it goOh, and it breaks for you
Oh, and it breaks for you
Gotta break the newsTell me you know when I'm going, I break in two
So I know, I will wait for you, love
All that it takes it two
Gotta break the news
Find me another day 'cause I'm falling down
Take my little runaway as a sign of love
Always on another way and I leave the ground
Oh, and it breaks for you
