

Fall Semester

The Get Up Kids

If I tried, would you still call me son?
If I tried, would you call me at all? If I say that Ill go, regardless of what you want me to do
If I say that Ill go regardless, Im better off without
Im better off without you If I change my mind, it wont be soon enough for you
But Im not you, Im not you, Im not you Ill try to compromise for you to see
Theres so many other things for me to find out Run myself to the ground
Would you please forgive me, if I found my way back home? Everything I see, everything I do
Everywhere Ive been, these mean nothin' to you
