

# Daylight

## Planet Bliss

Well, looks like I'm going again  
I can't seem to believe myself  
Here I go again, here I go again, here I go again  
Listen to me now  
It's five o'clock a.m.  
But the party is still going strong  
There's a conversation over in the corner  
Big Ed is all on the lawn  
And the FM music is groovin'  
Folks getting down, getting down in their stocking feet  
Sleepy eyes are peeping  
From the window across the street  
And it looks like daylight gonna catch me up again  
Gonna catch me up again  
Most people like getting up when I'm just getting in  
Oh, it's the only, only time  
It seems to be the only time that I can unwind  
Swore to myself  
Time and time and time again  
That I would give up the night life and start layin' in  
But it ain't easy, no no  
Sayin' no to my friends  
'Cause the real, 'cause the real  
Set don't get started  
Till everyone else is in  
And it looks like daylight gonna catch me up again  
Gonna catch me up again  
Most people like getting up when I'm just getting in  
It's the only, only, only, only time  
When I can unwind  
Daylight gonna catch me up  
Gonna catch me up  
Daylight gonna catch me up again  
Daylight gonna catch me up  
Gonna catch me up  
Daylight gonna catch me up again  
Daylight gonna catch me up  
Gonna catch me up  
Daylight gonna catch me up again
