Hit Liquor

Shudder to Think

Dead asleep
Wonder, when she'll come to
My hip liquorParty of mouths, a finger fan courtship
The case of her bones are softer than loose meat
A day on the belt, so, surely I'll get thin
So, really rock, ohhDead asleep
Wonder, when she'll come to
My hip liquorParty of mouths, a finger fan courtship
The case of her bones are softer than loose meat
A day on the belt, so, surely I'll get thin
Wanna watch?
