

All Night Long (All Night)

Lionel Richie

Well, my friends, the time has come
Raise the roof and have some fun
Throw away the work to be done
Let the music play on Everybody sing, everybody dance
Lose yourself in wild romance
We're going to party karamu, fiesta, forever
Come on and sing along
We're going to party karamu, fiesta, forever
Come on and sing along All night long, all night, all night long, all night
All night long, all night, all night long, oh yeah People dancing all in the street
See the rhythm all in their feet
Life is good, wild and sweet
Let the music play on Feel it in your heart and feel it in your soul
Let the music take control
We're going to party liming, fiesta, forever
Come on and sing along
We're going to party liming, fiesta, forever
Come on and sing my song All night long, all night long, yeah
All night long, yeah, all night long Yeah, once you get started you can't sit down
Come join the fun, it's a merry go round
Everyone's dancing their troubles away
Come join our party see how we play [Foreign Content] Oh Yeah, we're gonna have a party
All night long, all night, all night long, yeah
All night long, all night, all night long We're going to party karamu, fiesta, forever
Come on and sing along
Going to party karamu, fiesta, forever
Come on and sing my song All night long, all night, all night long, all night
All night long, all night, all night long, oh All night, all night, all night, all night
All night, all night, all night, all night Everyone you meet they're jamming in the street
All night long, yeah
I said, everyone you meet they're jamming in the street
All night long, be good, feel good All night, all night, all night
All night, all night, all night
All night, all night, all night
