Travel By Bloodline

Sparta

Did you listen to his stories?
He had some stories that would change your life
This doesn't have to be the saddest day
We can always hold the brilliant memories
You're always on my mind
Turned from tragedy
A source to draw from
A bloodline legacyYou showed me more than just these railways
It was your passion, and I learned that well
You gave me more in life than anyone deserves
And forever, I'll keep your bloodline legacy
And you're always on my mindThis photography, I'll carry to my grave
I never lost so much as I did that dayI miss you
