

Welcome To the Get Down

Jaden Smith

[Intro]

This ain't Disney Land this is the Bronx
Either you be strong or you be bunk[Verse]

What is this some rubbish?

I'm undercover at train yards and lovin' it

I'm tryna think what lady paint the covenant

To find a wall to bomb the whole Bronx is crumblin'

We should do it on Charlotte just for the fun of it

And the name is Roomey if you was wonderin'

Alien in a top hat, I'm hoverin'

And I'm chillin' with Meiline

We guzzlin' holy water, it's hotter than hell

Don't let the summer in

Man you lookin' at me like you impressed now

B-boy steez with the fresh style

[Outro]

Shaolin fantastic

Song dissin' me like "what's this kid, welcome to the get down"

Hope you're ready to get down

Shaolin fantastic

Song dissin' me like "what's this kid, welcome to the get down"

Welcome to the get down

Welcome to the get down
