

When the Saints Go Marchin' In

[Elvis Presley](#)

Oh, when the saints go marching in
Well, when the saints go marching in
I wanna be right there in that number, number
When the saints go marching in Well, when the saints go marching in
When the saints go marching in
I wanna be right there in that number, number
When the saints go marching in Yeah, when the sun refuse to shine
When the sun refuse to shine
I wanna be right there in that number, number
When the sun refuse to shine Go, go go
Go, go go Well, when the saints go marching in
Well, when the saints go marching in
I wanna be right there in that number, number
When the saints go marching in Look here, when the sun refuse to shine
When the sun refuse to shine
I wanna be, be in that number, number
When the sun refuse to shine When the saints, the saints go marching in
When the saints go marching in
I wanna be right there in that number, number
When the saints go marching in
