Eazy

Soulja Boy

Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, man, I broke the cold, I'm in ice mode
Game face on with my chain sittin' on light mode
Got a lot of gwap that came from stayin' on a paper chase
Shout out to my partner, hold it down movin' major weight
Every city, every state, Soulja Boy is known
I'm just eighteen now and I'm already grown
And I put my team on S.O.D. sittin' right
And this is my theme song and I'm rippin' this beat right
Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look, ish look
Rippin' this beat tight, is the crowd stimulated?
I make it look eazy, you make it look complicated
My name is S. Beezy, a.k.a. the Heavy Weighter
Now go head, I'll see you later
Now go head and shoot your lay up

Catch me on the rebound, three pounds we found
In the studio maybe tree sound
Soulja Boy Tell 'Em, yeah we clown and I'm still on top
Two years later, still playin' Xbox
Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, a fresh young rapper named Beezy

Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look, piece of cake
Rock holder hollerin' out I'm the man, folk star face Beezy
Soulja Boy Pachino, Soulja Boy Mandingo
When I'm with your girl all alone in the casino
I'll show just how we roll
One day in my life will get your mind right
One day in my life will get your grind tight
I'm tryna tell 'em but they don't wanna believe me
I'm Soulja Boy Tell 'Em I'm makin' this ish look eazy
Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, a fresh young rapper named Beezy
Soulja Boy Tell 'Em make this ish look eazy
Eazy, I do this for a living man believe me
Soulja Boy Tell 'Em make this ish look
Eazy, eazy
