Walk Like a Man (Remix)

Divine

Oh how she tried to cut him down to size
Telling dirty lies to his friends
But his own father said give her up, don't bother
The world isn't coming to and end, he said...
"Walk like a man, talk like a man my son
No woman's worth crawling on the earth so walk like a man my son"Bye baby, I don't mean maybe
Gonna get along somehow
Soon she'll be crying on account of all her lying
Oh yeah just look who's laughing now. He's gonna...
Walk like a man, fast as he can, walk like a man from you
He'll tell the world "Forget about it girl, I'd walk like a man from you."Oh how she tried to cut him down to size
Telling dirty lies to his friends
But his own father said give her up, don't bother
The world isn't coming to and end, he said...
Walk like a man, talk like a man my son
No woman's worth crawling on the earth so walk like a man my son
