The Beautiful Occupation

Travis

Don't just stand there watching it happening
I can't stand it, don't feel it
Something's telling me
I don't wanna go out this way
But have a nice dayThen read it in the headlines
Watch it on the TV
Put it in the background
Stick it in the back
Stick it in the backFor the beautiful occupation
Beautiful occupation
Don't need an invitation
To drop in upon a nationI'm too cynical
I'm just sitting here
I'm just wasting my time
Half a million civilians gonna die today
But look the wrong wayThen read it in the headlines
Watch it on the TV
Put it in the background
Stick it in the back
Stick it in the backFor the beautiful occupation
Beautiful occupation
Don't need an invitation
To drop in upon a nationDon't just stand there watching it happening
I can't feel it, don't need this
Something telling me
I don't wanna go out this way
But have a nice dayThen read it in the headlines
Watch it on the TV
Put it in the background
Stick in the back
Stick in the backFor the beautiful occupation
Beautiful occupation
Don't need an invitation
To drop in upon a nationFor the beautiful occupation
Beautiful occupation
So much for an intervention
Don't call the United Nations
