

# Take a Bow (Silky Soul mix)

## Madonna

Take a bow  
The night is over  
This masquerade is getting older  
Lights are low the curtains down  
There's no one here  
(there's no one here)  
(there's no one in the crowd) Say your lines but do you feel them  
Do you mean what you say?  
When there's no one around  
(no one around)  
Watching you watching me  
One lonely star  
(one lonely star)  
(you don't know who you are)  
I've always been in love with you  
(always with you)  
I guess you've always known it's true  
(you know it's true)  
You took my love for granted  
Why oh, why?  
This show is over say goodbye  
Say goodbye (bye-bye)  
Say goodbye Make them laugh it comes so easy  
When you get to the part where you're breaking my heart  
(breaking my heart)  
Hide behind your smile  
All the world loves a clown  
(just make 'em smile)  
(the whole world loves a clown)  
Wish you well I cannot stay  
You deserve an award for the role that you played  
(role that you played)  
No more masquerade  
You're one lonely star  
(one lonely star)  
(you don't know who you are) I've always been in love with you  
(always with you)  
I guess you've always known it's true  
(you know it's true)

You took my love for granted  
Why oh, why?  
This show is over say goodbye I've always been in love with you  
(always with you)  
I guess you've always known it's true  
(you know it's true)  
You took my love for granted  
Why oh, why?  
This show is over say goodbye  
Say goodbye (bye-bye)  
Say goodbye All the world is a stage  
(world is a stage)  
And everyone has their part  
(has their part)  
But how was I to know which way the story go  
How was I to know you'd break  
You'd break you'd break you'd break  
You'd break my heart I've always been in love with you  
I've always been in love with you  
Guess you've always known  
You took my love for granted  
Why oh, why?  
This show is over say goodbye I've always been in love with you  
(always with you)  
I guess you've always known it's true  
(you know it's true)  
You took my love for granted  
Why oh, why?  
This show is over say goodbye  
Say goodbye (bye-bye)  
Say goodbye... Say goodbye...
