You Know What

N*E*R*D

At first it started with the eyes
I'm like uh-uh, no way, yo sister cant know
And so the tension slowly build
You got them slanted eye, ya kills
All systems goThen you kiss my cheek, my knees get weak
My heart just skipped a beat, so I just froze
When you touch me there, I knew you would
And girl you touched me good
I'm like uh-ohOoo girl
You know what, you know what
You know what, you know what?
I'm sorry, Im sorry
I'm sorry, Im sorryIt hurts me, it hurts you
It hurts me, what you do
Was so good, so good, so good
So goodLet me show you where ya went wrong
You know that our sex took us to and fro
Then you had the nerve to say you're hurt
And fix your mouth to blame the CuervoThen in me confide, ya compromising
I'm just like, you know what you chose
I don't wanna say it again, but here goes
Fuck it, we're just friends
Now where's my clothes?You know what, you know what
You know what, you know what?
I'm sorry, Im sorry
I'm sorry, Im sorryIt hurts me, it hurts you
It hurts me, what you do
Was so good, so good, so good
So goodWhat am I gon do when I cant get anymore?
I'd rather not know
Cause if you wanna know the truth, nobody make me come like you
I just rolloI can't let my mind think of you
I'll hit that dial and get you on the phone
Cause baby, it's just not the physical
I got wit you, I'm addicted to your moanYou know what, you know what
You know what, you know what?
I'm sorry, Im sorry
I'm sorry, Im sorryIt hurts me, it hurts you
It hurts me, what you do

Was so good, so good, so good
So goodThe rumors
The rumors
The rumorsThis ain't right, ya know I want it
Ya know I want it, girl dis ain't right
Ya know I want it, ya know I want itYou try to keep yo feelings inside the rope
But then you wave me down when ya see me like, hey hello
And ya know, he never cared of a public place
I see it in ya face, and theres a mad different time to go
How we gon' stop?You know what, you know what
You know what, you know what
I'm sorry, Im sorry
I'm sorry, Im sorryIt hurts me, it hurts you
It hurts me, what you do
Was so good, so good, so good
So goodYour friendship means the most to me
Your friendship means the most to me
