

Our Love

The Derek Trucks Band

Advisory - the following lyrics contain explicit language:

I know, know what it's like on my own
Things have been wrong but I don't want to be alone again
Sometimes time ain't always on our side
You can't let fate pass you by but if you want me to wait for you You know our love is crazy
Crazy is beautiful
I know our love is crazy
Nowhere I'd rather be I won't let our world slip away
If you can be strong for a day we both know I've been guilty before
You give more than you maybe should
While I sit and I hope you could take a breath that's for yourself We know our love is crazy
It's what we do it for
I know your love is crazy
Know where you get it from Crazy is beautiful, crazy is beautiful, crazy is beautiful
Crazy is beautiful, crazy is beautiful, crazy is beautiful
Crazy is beautiful, crazy is beautiful, crazy is beautiful We know our love is crazy
And what we do it for
I know your love is crazy
I know where you get it from, crazy
