

Way With Words

The Starting Line

There seems to be no difference
Between present tense and the pretense
Cause it's all a part of what you've been trying to say
Well you've got all the right reasons
To write red hot rants for the weekend
But they're not a part of what you've been trying to say

They say you lost your way
(You're way with words)
The right way to go

[Chorus]

You've lost your way with words or at least that's what I heard
You've lost your way with words and to me what could be worse?
What could be worse?

When your father passed down his wisdom
Sometimes I think he must've spilled some
Cause you lost the sight of what you've been trying to say
And I know that nobody's perfect
Well no one would want to sound desperate
Unless that's a part of what you've been trying to say

[Chorus]

Oh, you could dance around
Dance around with nothing to say

You've lost your way with words at least that's what I heard
You've lost your way with words

[Chorus]
