Dreaming Of

ISLAND

I am dreaming of a little Island
There's se enough for two
I hope my wish be granted
I'll build a little villa for two
I want you by the seaside
Holding hands smiling with the tide
Making up for all we've been missing
Romantic time is here
You're such good company
And no one can deny
If this is gift thank God it's meant for me
We'll have two lovely children
On this land am dreaming on
You're such good company
And no one can deny
If this is gift thank God it's meant for me
We'll have two lovely children
On this land am dreaming on
On this land am dreaming on
On this land am dreaming on
(till fades)
