

This Is How a Heart Breaks

Rob Thomas

Don't you wanna go for a ride?
Just keep your hands inside
And make the most out of life
Now don't you take it for granted Life is like a mean machine
It made a mess outta me
It left me caught between
Like an angry dream I was stranded
I was stranded And I'm steady but I'm starting to shake
And I don't know how much more I can take This is it now
Everybody get down
This is all I can take
This is how a heart breaks You take a hit now
You feel it break down
Make you stay wide awake
This is how a heart breaks Don't you wanna go for a ride
Down to the other side?
Feels so good you could cry
Now won't you do what I told you? I remember when you used to be shy
Yeah, once we were so fine, you and I, yeah
Why you gotta make it so hard on me?
It's hard on me And I'm sorry but it's not a mistake
And I'm running but you're getting away This is it now
Everybody get down
This is all I can take
This is how a heart breaks You take a hit now
You feel it break down
Make you stay wide awake
This is how a heart breaks
This is how a heart breaks You're not the best thing that I knew
Never was never cared too much
For all this hanging around It's just the same thing all the time
Never get what I want
Never get too close to the end of the line You're just the same thing that I knew
Back before the time when I was only for you This is it now
Everybody get down
This is all I can take
This is how a heart breaks You take a hit now
You feel it break down
Make you stay wide awake

This is how a heart breaksThis is it now
Everybody get down
This is all I can take
This is how a heart breaksYou take a hit now
You feel it break down
Make you stay wide awake
This is how a heart breaksThis is how a heart breaks
This is how a heart breaksThis is how a heart breaks
This is how a heart breaksThis is how a heart breaks
This is how a heart breaksThis is how a heart breaks
