All the Days

Haerts

Time has come
A summer gone
A memory fadedLines are lost
In neon frost
On the sunsetGolden flames
We drew our names
In the waterNow you're gone
A love gone wrong
But I'll make itAll the days we had togetherYou can't teach
A heart to reach
Out to anotherLeaving me
Will leave me free
To reach above nowAll the days we had togetherOh and when the light is lost the night will follow
Our memory falls into the sun
And when the night is lost the light will follow
Our memory cannot take us backAll the days we had together
