Pop Game

Josh Kelley

Flipping through the magazines and
Staring at the beauty queens
I wonder if I can live the way they do
Wouldn't it be nice if I could be so recognized
I wouldn't have to wait in line with all of youWhat would I want that for?
What would I need that for?[Chorus:]
I could flip backwards
Sing a little faster
Bring them all to their feet
Living like a rock star
Climbing up the pop charts
Be the flavor of the week
How would you still remember my name?
Could you still remember my name?
In the pop gameLiving in the pop game
In the pop gameI've gotta admit
I've changed a bit
But what the public wants, the public gets
And my designer jeans
They make my ass look tight
And if I play my cards correct
Well you can guarantee I'll cash the check
Cause I don't wanna live on what I'm making tonightBreak through another door
Find what I'm put here for[Chorus]So just lend your ears while I sing my song
Cause I think I can take you higher
All our friends are here
Come and sing alongAnd we all sing
La la la la la la
Come and sing with me
La la la la la la
And you sing with me, we go
La la la la la la
Oh, sing it
La la la la la la
YeahI could flip backwards
Sing a little faster
Bring them all to their feet
Living like a rock star
Climbing up the pop charts

Be the flavor of the week
Now would you still remember my name?
Could you still remember my name?
Well, if you think so go
